Heritage

History is a fabric woven by mankind on the loom of time. Its designs vary with the years - now dark, now bright, now bold, now seemingly insignificant. Somehow we must seek the pattern as it was meant to be, and help to make it a thing of beauty and strength.

WELCOME 1988

Let us all try to make it a happy, healthy and contented year. Put our trials and troubles behind us, and go forward with faith for the future.

Best wishes to all of our members and friends from all of us for 1988

Arthur Ellis - President
